Dear Fellow Cattlemen,

Thanks for picking up this copy of our very first Burroughs Farms Bull Book! Our program has been steadily building over the past few years and it is with great pride that we present our 2009 sires to you. As you look through the pages of this catalog, the first thing you will notice is our two full sibs to Heat Wave. These genetics continue to excite us as we see more and more of their progeny excelling at shows and sales across the country.

Our farm is in Ohio, where I was born and raised. I have been in the cattle business all of my life. My family is very involved in the industry and has shown cattle at the National level as well as locally. I began selling and fitting club calves about fifteen years ago and over the last two years started selling semen all across the nation. I have experience with breeders all over the country and enjoy working with them to make their matings as successful as possible. I truly look forward to meeting you, my fellow cattlemen, and working together for many years.

As you flip through the pages, you'll also see a great mix of a variety of sires from different breeds to fit different scenarios...from maternal to calving ease to showring power. We believe in selecting sires that are popular choices for cattlemen and then match that with personal service. We are only a call away and we're happy to discuss our bulls and talk about what sires would work best in your program.

As part of our added service, we are happy to provide same day shipping in most cases. We use UPS and can offer you next day shipping if need be. We also will be accepting Mastercard, Visa, Discover & American Express cards. Leasing opportunities are available on these sires in the catalog, so call us for more information.

Respectfully,

Chad Burroughs
